# Highlights From Camp

**6th Grade Students from 7 different Kitsap County Middle Schools participated**

**10 scholarships provided**

**4 instruments gifted to students**

**Many new friendships were created, laughs were had, and new skills were learned**

**Students left camp with a solid foundation to begin their musical journey in Middle School and it gave them the tools and confidence to succeed and help teach their peers this fall at school**

**Numerous positive comments from participants and parents**

“I wanted to send a sincere and hearty thanks to you and the rest of your team for the amazing week my daughter had at music discovery camp. She’s been in summer camp every non-Covid year since she was little, but yours is the only one she’s truly enjoyed and blossomed in! Your team has awakened a part of her that I can only hope will make her musical for life. I coordinate off site training and department-wide events several times a year in my professional life, and I have to say I’m so very impressed by the planning and execution you managed to pull together! I will be highly recommending your camp to anyone who will listen.”
